## President's Report

Welcome to the AGM issue. I would like to thank Ian for his talk on his life and the work at Chrysler. I found it fascinating and I am sure Ian could have spoken for a lot longer. Unfortunately we only have a limited time frame at our meetings but I am sure if the members would like to hear more we could ask Ian for an encore. By the time you read this our Morgan quarry trip will either be underway or completed so look for reports in future issues of the Magazine. Here is your opportunity to become involved in the running of your club. As a number of long serving members of the committee will be resigning, please consider nominating as everyone within the club is a valuable resource and input into the running of your club is welcomed with open arms. Whilst we are always looking for new ideas and input from our members it is appropriate to acknowledge the work done by the current office bearers who have done an excellent job in the continued running of our club.

This means also that membership renewals are due and will need to be paid before the AGM to allow your votes to be counted. Please forward your renewal including the form to the Treasurer. Details are in the magazine.

The AGM's format will be the General Meeting first, supper and then the AGM.

Looking up Landrover news on the website I came upon an article relating to car seats. It appears that Jaguar Land Rover is developing the seat of the future - a pioneering shape-shifting system designed to improve customer wellbeing by tackling the health risks of sitting down for too long. It uses a series of actuators in the seat foam to create constant micro-adjustments that make your brain think you're walking. By simulating the rhythm of walking, a movement known as pelvic oscillation, the technology can help mitigate against the health risks of sitting down for too long on extended journeys. The research is part of Jaguar Land Rover's commitment to continually improving customer wellbeing through technological innovation. See you at the Meeting and in the meantime stay safe.

Gerhard Schmied

## Editor's Note

We don't have any trip reports this month because of the reports and minutes for the AGM. There is a Club Member's Survey on page 12 and I have an article on possible new wheels for JLR on page 7 and one on the new way of updating your Land Rover's software on page 14.

## RANGE ROVER DISCOVERY CLUB OF SOUTH AUSTRALIA

### GENERAL Meeting Minutes

**Date:** 18/02/20

**Day:** Tuesday

**Location:**

Riverside Rowing Club

Bridge Road

ADELAIDE SA 5000

**Meeting Commenced:** 7.35pm

**Attendance:** As per attendance book.

**Apologies:** As per attendance book.

**Minutes of Previous Meeting: -**

As per October magazine for September General meeting – the minutes are considered as a true and accurate record and accepted by the meeting.

**Business Arising from Previous Minutes: -**

Any business from the previous minutes is covered under the various headings in these minutes.

Welcome to members and guest presenter Ian Mc Dowall member and his wife.

**Guest Speaker Presentation**

Jim Mc Dowall spoke about his working life in England, Canada and New York before coming to Australia and working for Chrysler on the development of the very powerful engine for the Charger. He is a raconteur and admitted he could have spoken at length on any of the topics including on the railways in Canada, Manchester UK spinning mills, Ingersoll Rand in USA, and engine design including the Chrysler Charger 6. He had a copy of the History of Chrysler in Australia which recognises his contribution to the design. He also spoke about his music career and various bands including being a Country Music Band in the UK, He generously provided all members present with a CD – The Best of Ian Mc Dowall and the Dirt Road Band. Members eagerly accepted this offer and one can imagine them being played in many Range Rovers and Discoveries. He was generously thanked (after being politely requested to wind up) and presented with a Certificate of Appreciation and token gift of wine.

**Correspondence: -**

Presented by Tim Lawton

- Usual magazines etc available to members.
- Letter of resignation from Derek Rutter. The Committee agreed that he should continue to receive the magazine.
- Accepted by the meeting.

**Treasurer's Report: -**

Presented by: Jo Wall

- The club balance as at the end of January 2020 was: \$2250.
- The contribution to Funds of the Wine Fund Raiser was noted. Magazine advertisers and historic registration discussed and will be considered by the Committee – noted current cut off 1987 models.
- Accepted by the meeting.

**4WDSA Matters: -**

Next meeting on February 20th. Dave O'Donnell to attend to that meeting. In summary, the Committee will continue to monitor the activities of this association and new delegates to 4WD Australia are needed.

**Magazine Editor: -**

Garry Cooper requested Input for the next magazine – if anyone has information to provide, please advise Garry.

He gave interesting examples that might prove of interest to members including “open Wi-Fi” in the new Defender. Carbon Fibre Wheels being manufactured in Australia and may be used by Jaguar Landrover.

**Club Calendar Matters: -**

A comprehensive overview can be obtained from the magazine.

• Driver training at Morgan Quarry. Geoff Playford spoke to this event and will follow up on certain details and advise.

It was noted that the Training will only occur on the Saturday and Members could just come for the day and not stay over.

**Trip Reports: -**

• Gippsland Gadabout: Peter Allmand is away (Blaze Aid on KI). The comprehensive reports are in the magazine.

• All British Day: John Harrison reported that although the number of attendees from our club was small the event provided a good location and activities including the Mylor breakfast.

**Other Business: -**

• AGM. It was noted that forms were available for Nominations to the Committee. Note memberships due before the AGM.

• The following Resignations were noted effective at the AGM, so the positions will become Vacant: Michael Bull – Equipment Officer. Some one – unnamed may be agreeable to taking on the role. Michael was thanked for his role in the position.

Jo Wall – Treasurer

Gerry Schmied – President 1 year off the Committee to deal with the events of the Bushfire and other personal matters.

Anne Schmied Committee- for similar reasons as Gerry.

The Trip Committee is also expected to have changes.

Gerry requested all Members consider joining the Committee to support the Club.

• FIRST AID ACCREDITATION.

There was a discussion regarding the Defibrillator and CPR training requirements at 12 months interval. The committee will clarify the requirements and advise.

• 4WD SHOW.

Ron Westren advised that he was following up arranging for a stand on the October Long Weekend 20-23 October. He is planning to make adjustments for the mounting of the Tear Drop Banners to improve the functionality.

**Raffle drawn:** Jim Taylor

Thanks to John Fisher for Supper and Raffles

**Next Meeting:** 7.30pm      **Date:** 17/03/20      **Day:** Tuesday.

**Advance Apologies:** – Steve and Rose Rhodes

**Meeting Closed:** 9.10pm.

**Carbon Revolution**

I mentioned at the last meeting about an article in the financial section of the weekend newspaper about an Australian company called Carbon Revolution which had signed an agreement with a European manufacturer, reportedly Jaguar Land Rover to supply lightweight carbon fibre wheels. The following is about the company; <https://www.youtube.com/watch?v=0c6hR2h2lhk> and great that it is an Aussie company.

The following is another about the company where one of the founders is talking to Jay Leno and at 4minutes, 12 seconds he mentions a new OEM deal but does not say who it is.

<https://www.youtube.com/watch?v=gWiTky3zZXQ&t> If it is JLR then you would expect these wheels to be an option along with their current wheel selections. - Ed.

**RRDSCA Annual Report March 2020**

Another year has passed and we reflect on what we have done. We have achieved a positive growth to our membership through our website and our presence at various events. There has been an interesting mix of trips, outings, social activities and guest speakers detailed later in this report. Our focus as a club remains on membership growth, the promotion of our club as an organisation that focuses on friendship, camaraderie, social interaction and exploring the remote areas of our brown land.

Our monthly meetings had interesting speakers including Brenton Stuart from RYCO, Lynton Fuller from Nu finish and Ralph Abbott on cactus eradication. Many thanks go to Tim and others for their ongoing efforts to source speakers on topics that are relevant to our activities as a 4WD club. Our site visit for the year was undertaken to Sovereign Motors where we were shown new methods for servicing and state of the art diagnostic equipment. The major touring trip for the year was from Adelaide to Darwin in the middle of the year. Other trips were Clean up Australia to Mt Gambier, Ossies Farm Stay at Gulnare, the Redarc October fest at Merna Mora Station, Quorn, and the Gippsland Gadabout. We had our usual presence at the All British Day, Melrose and the 4WD and Adventure show. All of these activities have been well patronised. As can be seen the trip committee was very active and is to be congratulated on the diverse activities undertaken. Acknowledgement must be made to those trip leaders and activity organisers because without them we no longer function as a club. The trip committee is investigating putting a mentoring and succession plan in place to assist members in trip organisation and leader fields to try and ensure that the load is spread over our member base.

Social events were the mid winter drive and dine to Analby Station and the Christmas function dinner at the Grange Golf Club. Thanks go to those organisers.

The magazine continues to provide club information and the pass on the exploits of those intrepid travelers that participated in the trips. There were technical discussions along with issues experienced by members and the solutions they found. Many thanks to Garry for his hard work in collating all the information and to the members that submitted articles.

Our fundraising for the year was dedicated to the Stroke Foundation and the amount raised is detailed in our annual report. The new committee will need to establish our charity for 2020. Thanks must go to you all our members for your ongoing support of our monthly raffles along with Michael Bull's quizzes and Peter Allmand's wine event.

All this activity is not possible without input from many people so I would like to acknowledge and thank the entire committee for their support, commitment and effort. The key positions like Treasurer, Secretary, Vice President and Editor have put in many, many hours along with the other committee members to ensure our club runs smoothly.

To all members, especially those who do the 'extra' tasks like suppers, minute taking, library, 4Wheel Drive SA representatives, raffles, web site management, clothing sales etc. a very big thank you.

Our club is active and in good shape. The committee has worked diligently to ensure that we the members are achieving value for money and minimizing our expenses resulting in our membership fees remaining at the existing levels.

Several long term committee members are stepping down this year so I thank them for their efforts on behalf of us all. This, of course, provides an opportunity for others to step up and have a say on how we progress into the future. I hope that the new team for 2020 will continue to guide the club to bigger and better things for the coming year.

## RANGE ROVER DISCOVERY CLUB OF SOUTH AUSTRALIA

### AGM Meeting Minutes

**Date:** 19/03/19

**Day:** Tuesday.

**Location:**

Riverside Rowing Club

Bridge Road

ADELAIDE SA 5000

**Meeting Commenced:** 8.30pm

**Attendance:** As per attendance book

**Apologies:** As per attendance book

### Minutes of Previous Annual General Meeting: -

Published in the March magazine for meeting held - 20/03/2018

Accepted as a true and accurate record

### Presidents Report:

Gerhard Schmied read out his annual report which can also be found in the March magazine

### Treasurer's Report: -

Presented by: Jo Wall.

A proposed budget and statement of receipts and expenses for last financial year was distributed amongst the members

- Approximately \$10,500 payed out last year. This amount is due mostly to the purchase of the Defibrillator, advertising material such as the windscreen cards that have been made up, vehicle stickers and the promotional equipment that is used at the 4X4 shows
- There is \$680 in our charity fund which will go to the Stroke foundation
- Moving forward we should be focusing on recruiting more members but this is an ongoing thing. John Harrison suggested if we participated in the British Classics tour this may help with this
- The 4WDSA affiliation fees may reduce this year

Moved: Jo Wall.

Seconded: Michael Bull

Accepted by all as a true and accurate record. John Harrison thanked Jo for her efforts in the last year. Jo thanked Tony Metcalf for auditing the last financial year.

### All positions were then declared vacant and the meeting was chaired by Tony Metcalf for election of members to various positions

Tony thanked Gerry and the previous committee for their smooth running of the club in the last 12 months. All positions were filled un-opposed as follows:

<b>President:</b> Gerhard Schmied	<b>Nominated by:</b> Geoff Playford	<b>Seconded by:</b> Allen Walker
<b>Vice President:</b> Geoff Playford	<b>Nominated by:</b> David O'Donnell	<b>Seconded by:</b> Jo Wall

**Auditor:** Tony Metcalf

**Web Master:** Louise Briggs

**Raffle/supper:** John Fisher

**Library:** John Harrison

**Equipment Officer:** Michael Bull

Moved: Tony Metcalf that all positions have been elected and filled as above

Seconded: Geoff Playford

Carried

Chair handed back to Gerhard Schmied who thanked Tony for his assistance.

Sub committees such as trip committee members can be considered at a later date. Geoff Playford as the convenor of the trips committee encouraged members to join as the current members are all on the main committee, it would be good to get some fresh and different input. You don't need to be a committee member to run a trip though it does need to be approved by the trip committee. We have a brain storm of trip ideas each year as a group, generally at the November meeting but Geoff encouraged members that they don't need to wait until then to bring forward ideas. Gerry encouraged members to seek assistance and advice from others in regards to putting trips together. Gerry thanked everybody for their participation and encouraged everyone to speak their mind as after all it is their club.

**Next Annual General Meeting: -**

**Date:** 17/03/20.

**Day:** Tuesday.

**Meeting Closed:** 8.55pm.

The acoustic cover on the D3/4 has a straight edge and sits on the coolant hose where vibration and movement causes the cover to wear into the hose as some members had experienced. On seeing that I used my 'craftsman's skills' and a half round file to give the cover a rounded profile and clearance to the hose

## **RANGE ROVER DISCOVERY CLUB MEMBERS SURVEY**

The following is a summary of a recent survey by members of the Range Rover Discovery Club on its approach and variety of club trips

### **1 How many trips do you participate in annually?**

Most doing between 3 and 5 trips annually.

### **2 What may prevent you from participating in trips?**

Most citing work or family commitments with a few citing finance as an issue.

### **3 How do you rate the trips on offer?**

Almost everyone said they liked the range and variety of trips offered.

### **4 How would you rate the difficulty of trips?**

The majority rated them as easy to medium with some bits interesting or challenging, i.e. generally about right.

### **5 What is your preferred trip length?**

A wide variety here from a long weekend, 5 to 10 days and then 2 to 4 weeks.

### **6 What is your widest travel radius around Adelaide?**

People generally said Day Trips up to 2 hours travel, base camp trips up to a day's travel with longer trips from 1000km to no limit.

### **7 What is your preferred accommodation?**

Most stated caravan or camper with a tent option. 5 included a cabin with only 1 citing a cabin only.

### **8 How much notice period do you need to plan for trips?**

Most requested up to 6 months or more for major trips reducing to 2 to 3 months for shorter ones.

### **9 What is your preferred method of being advised about trips and club matters?**

Almost everyone mentioned the club magazine, calendar and meetings as their preferred method with e-mails a close second.

### **10 What prevents you from leading or planning trips?**

Over half said they would think about it but others preferred to go with the flow. A few were not comfortable, nor interested in leading.

### **11 What do you like best about the trips on offer?**

Most liked the mix and variety of trips, the fellowship and the company of others.

### **12 What improvements would you like to see?**

A good number were happy with current trips but others would like to include more 'free' days, to not

move every day and less regimentation. A number would like to include more 'in-house' training and more 'women's drivers day'.

**13 Of the trips you participated in which did you most enjoy?**

The Kimberly trips got a lot of mentions, also Cape York, Innaminka, and Birdsville, Mouth to Source, Gammon Ranges, Border Track, Robe, Pt Lincoln, Bendelby and Googs Track.

**14 What suggestions do you have for day/weekend/extended trips?**

Day Trips; Brownhill Creek, Monarto Zoo, Heysen cottage, Victor Harbor Whale Centre, River Cruise, Pt. Elliott, Farm day (Paskerville, Keith), Milang, Winter Drive and lunch, less than 200km out.

A few mentioned not to repeat trips/events like Saunders Gorge, Grange Golf Club or Regency Park.

Weekend Trips; Coober Pedy, York Peninsula, Coorong, around Quorn, Morgan play- day

Extended Trips; Queensland, New South Wales, Victoria, Sth Gippsland and York Peninsula.

**15 Are there any other comments you would like to add?**

Most were supportive of the club but would like to see a Trip Difficulty rating in magazine/calendar and on web, need to increase membership, add Tech Talk to General Business, some events like Camp Cookout/Tiros on alternative years.

**16 What do you think the club has done well in the past year?**

The new Web site and marketing to new members with many comments that as a club we are doing most things quite well.

Reviewer's impressions; The majority of survey comments were very positive with good suggestions on areas we can look at to grow our club and experiences for all our members.

*Ron Westren.*

**SOTA or Software Over The Air.**

I briefly mentioned at the previous meeting that the new Defender would have the ability when near open or public wi-fi to download software to update the vehicles computer systems. Thanks to Michael Bull for the picture on the left. This technology has been around for a number of years and like all technology has improved greatly. My initial reaction was to think about the system being hacked regardless of how well they claim it would be encrypted. Even though the technology and security has improved I still have reservations. Have a look at this explanation of sota and page down to see what happened to a Jeep.

You should always be careful when using Public or Open Wi-Fi Please checkout the following;

In places like caravan parks where you are given limited access to their wi-fi with a password it is much safer. - Ed.
